

8th January 2025

Dear Parents/ Carers,

Happy New Year everyone!

The team are so happy to welcome you back for the Spring term and hope you all enjoyed the Christmas break. We would like to express our thanks for the lovely Christmas cards and gifts, you are very kind.

We would like to offer a particularly warm welcome to our new starters and their families. It is a such a pleasure to have you here with us at Holy Trinity. We will do everything we can to help you settle in so please don't hesitate to come and see us if you have any queries.

Dates letter

Along with this letter I am sending out a provisional Spring terms dates letter. We are still awaiting a couple of confirmations, and the PTFA will also have some dates to share with you soon, but this gives you chance to get some key dates in your diary such as the Easter Service.

There will be class newsletters out shortly and a few individual letters coming out in relation to specific events, so please keep an eye out for them.

Winter weather

Just a reminder, as we may be heading for a colder snap, if school needs to close for snowy weather, we will let you know through our various comms systems to ensure that all parents/carers are aware. This includes email, text, website, and dojo. We would only close the school if we could not maintain appropriate staff ratios due to them not being able to get into work, or we had a loss off heating or water or another health and safety reason. This may mean that while other local schools are closing, we may not, or it may be necessary for us to close while other local schools remain open.

Please ensure that children are sent to school with **named** coats, hats, gloves, scarves please so they can enjoy the outdoors regardless of the weather.

In the event of severe snow fall and the school is open, we would leave it with families to assess if they are able to safely travel to the school site.

Parking

A reminder to please avoid parking on Coghill Court please, and in front of the school on the yellow lines. This creates safety issues for our families and residents. Thank you for your support with this.

Toys in school

The classroom staff have noticed throughout last term that an increasing number of toys were being brought into school daily. Can we please ask that unless it is their show and tell day, or it is the official end of term Toy Day, the children do not bring in items from home as they can get lost and cause distraction and upset. If you feel your child requires a comforter or concentration aid, then please talk to the class teacher so that proper arrangements can be made and communicated through the team.

Here's looking forward to a great term ahead!

Thank you for your continued support.

Your Sincerely

Mrs Thompson - Headteacher
