

Holy Trinity C of E Infant School's Eco – Code

Please help to protect the planet

Litter needs picking up and putting in the bin

All animals and creatures should be looked after

Never chop trees down when you don't need to

Every time you leave a room, turn the lights off

Try not to waste food

Protect the world no matter what

Reduce, re-use, recycle

Our snacks at school should be healthy

Turn taps off when you're not using the water

Electrical items need switching off when not in use

Cycle, walk or scoot to school if you can

Think about what you can do to help

Oceans and seas should be clean and safe

Remember to try and grow your own vegetables

Solar panels save energy
